

Prospective Student's Evaluation of Work Experience Visit

Your own thoughts and feelings about the activities that took place can help you in deciding whether radiography is for you and can provide you with helpful prompts when completing your UCAS form.

Name	_____				
Address	_____ _____				
Hospital visited	_____	Date of visit	_____	Duration of Visit	_____

1. What was the **BEST** thing about your work experience?

2. What was the **WORST** thing about your work experience?

3. What did you think was the **MOST UNUSUAL** aspect of your work experience?

4. Which aspects of your work experience did your find **UNSTIMULATING**?

5. List the 3 **MOST IMPORTANT** things you learned during your work experience
 - 1.
 - 2.
 - 3.

Please complete this page at the end of your clinical placemen visit, and return it to the radiography admissions tutors at the Universities to which you have applied. Their addresses can be found by visiting the relevant websites (address of SCOR careers page with addresses).
